All-in-one Touch POS Terminal PT-6210-E
All you need

The All-in-One Touch POS Terminal PT-6210-E is a perfect solution for small and medium-size enterprises to keep pace with competitors. The POS Terminal comes with integrated customer display, 80mm Epson thermal printer and 3-track MSR as standard. Further components like Addimat/Dallas lock, RFID or 2nd screen can be built in as an option.

Its compact and small footprint design makes the device extremely counter-space saving. Furthermore the attractive and at the same time inconspicuously appearance fits into every POS environment. Without any extra modules, cables etc. it is easy to install and can be used in many different businesses like retail, kiosk, convenience-stores, fashion or hospitality.

Special Features

Elegant, compact and fanless design
10.4″ TFT-LCD touch screen
Open architecture
Modular design for easy maintenance
Integrated 3-track MSR
80 mm Epson thermal printer
2x20 VFD customer display

Optional

Solid State Drive
Raid
RFID module
WiFi module
Dallas-Button / Addimat-Lock

All-in-one Touch Terminal PT-6210-E
