High quality cash drawers

Cash Drawers from Partner Tech are durable, well manufactured and secured for heavy duty environment. They are available in different colours and are split into banknote and coin compartments to meet the available denominations.

The FT-460 integrates itself seamlessly into the check-out lane and may be integrated into traditional, self-check-out and mobile check stands. As the Flip-Top name suggests, the lid swings open and provides access to the cash money in the drawer. This cash drawer provides easy access to the coin and vertical bill storage whether the clerk is seated or standing at the point of sale.

The 5E415 is a durable, well manufactured and secure cash drawer. It is intelligently split with four banknote compartments and eight coin compartments. A robust latch mechanism and a proven lock assembly offers security. Flexible storage space maximizes efficiency. The 5E415 will provide years of smooth, troublefree service with virtually no downtime and no service required. The cash drawer is available in black and cool white.
